Applicants Selected as Scholarship Reserve Candidates

The below reserve lists show the rank order of reserve candidates.

Applicants listed here will be offered a place on the programme without scholarship, and will be offered a scholarship should one become available at a later date.

Please note that under Erasmus Mundus guidelines, there can be no more than 2 scholarship holders with the same nationality. These limitations may impact movement of the reserve list.

It should be noted that in 2008, 4 reserve candidates were eventually offered a scholarship. In 2009 there were 2. It is difficult to predict if/when scholarships for reserve candidates may become available. This document will be updated in the event of any changes to the lists – it is not necessary to contact administrators for updates.

Should a reserve applicant have another source of funding and accept their place before being notified of scholarship support, this will not affect their position on the reserve list.

Unsuccessful

We have been impressed by the high standard of all applications to the programme, but following consideration of approximately 800 applications for only 12 Erasmus Mundus scholarship places, we are unfortunately unable to offer the below applicants a place on the GIM programme.

Due to the high number of applications that we have received, we are unable to provide individual feedback to applicants, but we can state that all applicants who met the application criteria (set out on our website www.globalinnovationmanagement.org), were then ranked in order of merit.

Whilst we are unable to offer you a place on the GIM programme, we would be delighted to receive your application for programmes at any of the 3 partner Universities:

- Aalborg University, in particular the MSc Global Business Engineering Programme <http://www.cjp.aau.dk/education>
- Hamburg University of Technology, in particular the MSc International Production Management (IPM) http://www.tu-harburg.de/education/master/international_production/
- University of Strathclyde <http://www.strath.ac.uk/dmem/studyingindmem/postgraduatecourses/>

We thank all applicants again for their interest in our programme and wish you well for your future study/career.

Please note that an applicant's position on this list does not indicate an overall ranking (the list was initially sorted by country and surname alphabetically).
